The image shows a bright, modern interior space, likely a meeting or lounge area. A long, light-colored wooden table with a dark metal frame is the central feature, surrounded by black chairs with light-colored wooden legs. On the table are several water bottles and papers. To the left, a potted plant sits on the floor. In the background, a large, textured stone wall is illuminated from below. To the right, a large arched window with a black frame looks out onto a building. The floor is made of light-colored wood, and the ceiling has exposed wooden beams.

A modern interior space featuring a rustic stone wall on the left, a wooden floor, and contemporary furniture including a grey sofa, two teal armchairs, and a small round coffee table. A large window or doorway in the background leads to another room. The lighting is warm and ambient, with a modern pendant light fixture hanging from the ceiling. The overall aesthetic is a blend of industrial and modern design.
