An architectural rendering of a modern, multi-story residential building. The building features a light-colored facade with large, rectangular windows and balconies. The balconies have glass railings and some have potted plants. The ground floor has a stone-clad base with large glass doors. In the foreground, there is a lush green lawn with a low, colorful hedge. A few people are visible on the balconies and in the courtyard. The sky is a deep blue with some clouds, and there are flowering trees in the corners of the frame.

An aerial photograph of a modern residential development. The complex features several interconnected buildings with flat roofs covered in lush green grass. The buildings are surrounded by a dense forest of tall trees and flowering shrubs. A paved road with a white dashed line runs along the left side of the complex. Several parking spaces are visible, some with cars parked. A large, light-colored lawn area is situated between the buildings. The overall scene is bright and green, suggesting a well-maintained and eco-friendly environment.

An architectural rendering of a modern, multi-story apartment complex at dusk. The building features a mix of light-colored facades and a central section with a textured, stone-like finish. Large windows and balconies are illuminated from within, showing interior lights and some furniture. A silver car is parked in the foreground on a paved area. To the left, there's a landscaped area with rocks and plants. To the right, a tall black lamppost with a circular light fixture stands near some trees. The sky is a deep blue with some clouds, and the overall atmosphere is serene and modern.
