A modern living room with a light-colored wooden slat wall. A grey sectional sofa is positioned against the wall. To the left, a wooden armchair with a white fur throw is visible. In the center, a large round wooden coffee table holds several bowls. To the right, a large window with a black frame looks out onto a bright exterior. A tall potted plant stands near the window. The floor is made of dark wood. The ceiling has recessed lighting and a long, thin light fixture. A dark door is on the far left.

An architectural rendering of a modern building complex, likely a school or university, set in a mountainous region. The main building is a multi-story structure with a light-colored, possibly stone or concrete, facade and large windows. It features a prominent curved section on the right side. A smaller, more traditional-looking building with a dark roof is visible in the background. The foreground shows a paved area with some trees and a small structure. The background is dominated by steep, rocky mountains under a clear blue sky. The overall style is clean and modern, with a focus on natural materials and integration with the landscape.
