EXCLUSIVE. Downtown Lille-Old Town, next to the famous rue Esquermoise, 900 yards from the Eurostar train station; very nice apartment-loft of 650 sqft. As a real penthouse, an elevator serves the unique apartment of this level. Large and beautiful bright entrance. Right, beautiful reception room of about 200 sqft with fireplace and oak flooring. A separate space allows you to work discreetly. Large windows offer a beautiful view of the Cathedral of La Treille. The kitchen is independent and fully equipped by Loncke in a modern spirit. The sleeping area consists of 4 bedrooms, a bathroom and a shower room. The property is sold with a parking space in the condominium. The total renovation (frames, glass roof, insulation, plumbing-heating, electricity, plastering, bathrooms, kitchen, air conditioning, heat pump ...) makes it a very current apartment. The elements of embellishment such as solid parquet and old doors make it a loft style property with incomparable charm. Its location on a popular street in the city center, close to the Grand Place combined top floor make this apartment a rare property for sale.
