Идеально расположенный между озером Анси и озером Бурже, этот известный замок 17 века был полностью отреставрирован. Состоящий из 7 самостоятельных зданий, с жилой площадью около 2900 м², расположен на 30 гектарах (86 акрах) лесистых парковых зон. Усадьба располагает многочисленными зданиями, а также водными ресурсами, предлагающими собственное частное водоснабжение. Построенный на трех уровнях, он имеет много комнат с несколькими спальнями и независимыми квартирами. Идеально подходит для развития такого вида деятельности, как замок с гастрономическим рестораном, конный центр, а также организации свадеб. Поблизости есть частный аэродром, на котором можно летать на частных самолетах. В 45 минутах от Женевы.

The image is an aerial photograph of a large, luxurious estate. In the center, a large, multi-story red-brick house with a complex roofline, including several gables and dormers, is surrounded by lush green lawns and mature trees. To the left of the house, a long, straight row of young, evenly spaced trees forms a windbreak or a new plantation. The foreground is dominated by two large, vibrant green fields, possibly pastures or lawns, separated by a dirt path or driveway.
