BARNES Nantes предлагает в красивом старинном здании Place de la Bourse, на 1-м этаже без лифта, квартира 111 М² со вкусом отремонтирована. К услугам гостей гостиная площадью 111 кв.м. (около 1191 кв.м.), оборудованная, с подвалом и парковкой, расположенная на 1-ом этаже с лифтом. В квартире есть все активы старого: красивый паркетный пол и старая плитка, открытые балки и камни.

The image shows a bright interior space with a large window. To the left, a tall, green, columnar cactus stands in a dark, rectangular pot. Next to it is a television set on a stand, and below it, some electronic equipment. A small, round, woven basket filled with stuffed animals sits on the floor near the window. The window itself is framed by light-colored curtains and looks out onto a cobblestone street. A white van is parked on the street, and in the background, a grand classical building with many columns and statues on its roof is visible under a blue sky with clouds. A decorative black metal railing is in the foreground of the window view. In the bottom right corner, there are small potted plants, including another cactus.
